Dear Families

We have had a splendid day here at the National celebrating Her Majesty the Queens Platinum Jubilee. The sun has been shining, bunting has been flapping in the slight breeze and there has been a positive buzz around the whole school. All children have spent some quality time with their peers at the paddock playing team games and having fun with their class teachers.

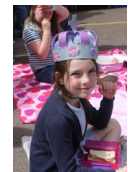

The whole school assembled on the front playground for a picnic street party style lunch. The school orchestra and senior choir provided fantastic entertainment filling Castlegate with their angelic voices. The senior choir have also managed to recruit more choristers for after half term.

Thank you to all families who provided hats, crowns, costumes and blankets for us to use today, there was a colourful sea of red, white and blue on the front playground.

We would like to thank those families who have made contact with us at school this week, we welcome parental feedback and support as we work together to make positive changes here at the National.

Wishing you all a sunny and safe half term.

Kind regards

Mrs K Thomas & Mrs S Fawn
